The above party obtained the following Dominion advances giving as security liens on the title to the above land.

Dominion

Relief 1916	$25.00
Seed Grain 1915	12.75
	37.75
Interest to June 30th, 1945	53.55

Payment	14.10
	77.20

The debtor has long since abandoned the land and all trace of his whereabouts has been lost.

Taxes were allowed to accumulate on the above property and title was eventually taken by taxing authorities in 1944. In 1946 the sale of this property was negotiated for the sum of Two hundred ($200.00) dollars which was reported to be its true value, approximately 15 acres only being suitable for cultivation, the balance of the quarter being muskeg.

In addition to the Dominion advances, title to the above land was subject to lien under the Agricultural Relief Advances Act in respect of which the balance outstanding was Fifty one dollars and thirty-nine ($51.39) cents. Tax arrears amounted to Eight hundred and thirteen dollars and fifty-two ($813.52) cents and it is my recommendation that the proceeds of this sale be distributed on a pro rata basis, the allocation of the monies being as follows:

Taxes	$172.75
Dominion liens	16.35
Agricultural advances	10.90
	200.00

I would further recommend that after application of the sum of Sixteen dollars and thirty-five ($16.35) cents to the Dominion advances, the balance outstanding be written off and the liens discharged.

re [illegible] Garland - [illegible] Hazlett.

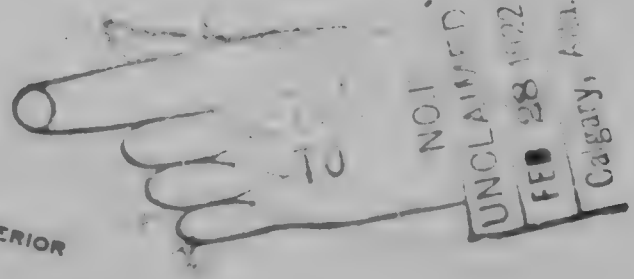

Referring to your telegram of the 4th instant, in which you imply that the decision of the Department to permit Mr. Hazlett to purchase that portion of the quarter-section north of the Canadian Pacific Railway right-of-way was arrived at under misapprehension as to the facts, I am directed to inform you that the case has been carefully and fully inquired into, and since it was found that Mr. Hazlett was in actual possession of the area involved, inasmuch as he was making use of it in connection with his farming operations, and as no application had been received for entry by any other person, and moreover, Mr. Hazlett in his application to purchase the land, stated that he was willing to pay for any improvements, the entry insofar as the C.P.R. right-of-way, or any portion thereof, was concerned, was cancelled, and Mr. Hazlett was allowed to purchase the land.

Mr. Hazlett has already been officially notified of the decision to allow him to purchase the portion of the quarter-section north of the right-of-way and will be advised as soon as the matter may be completed.

Sir,

Re H.L., 9-22-[illegible], 14th M.

File No. 2933253 relating to the above mentioned land has been misplaced under unaccountable circumstances, and therefore I am directed to request you to furnish the Department with a complete copy of your file covering this application.

From information available it appears that this matter is currently investigated by a Homestead Inspector, who in support of his report in that connection submitted a diagram showing the location of certain buildings on the Northern portion of the Western section, the property of Mr. J. K. Haslett, and it is desirable that the original duplicate of the Inspector's report and sketch should be submitted with a copy of the documents, you making a copy from his duplicate, which is to be retained on your file as forming part of your records.

Kindly have this matter attended to with the least possible delay.

Dear Mr. Garland,

The Agent of Dominion Lands at Calgary, has forwarded his entire file of documents relating to the North West Quarter of Section 3, Township 29, Range 21, West of the 4th Meridian, but before further considering the rival claims of John Teschler and J. K. Hazlett we propose to have the whole matter thoroughly investigated by Mr. J. D. Martin, Inspector of Mining Lands and Agencies, Calgary.

I understand that you have a comprehensive file on the subject and if you would favour us with a statement of the facts as disclosed thereby, same will be placed on file for the benefit of Mr. Martin, to whom all papers will be sent in the prosecution of the enquiry.

Yours very truly,

Deputy Minister.

Dear Mr. Cory:

Your letter of April 15th, re

15.

18th April, 1922.

Dear Mr. Garland,

I have your letter of the 17th instant, enclosing copies of a number of documents bearing on the case of Mr. John Teschler, in respect to the South half of Section 9, Township 29, Range 21, West of the 4th Meridian, but more particularly to the North West quarter of that section, in which objection is made to the action of the Department in withdrawing from the entry that portion of the quarter section north of the Canadian Pacific Railway right-of-way, and disposing of such land to Mr. J. K. Heslett.

In reply I may say that the papers in question have been attached to Head Office File No. 2933253 Temporary, and forwarded to Mr. J. W. Martin, of Calgary with instructions to make a very thorough personal investigation into all the facts of the case, and submit a report, whereupon I shall be glad to go into the matter with you further.

Yours very truly,

E. J. Garland, Esq., M.P.,
House of Commons,
Ottawa.

19th April, 1922.

Dear Mr. Martin,

Herewith I am sending you Head Office Files No. 1840513, and 2933253 Temporary, and Calgary Agency File No. 45353, and would ask you, after making a thorough digest of the papers, to make a very careful personal inspection on the ground of all the circumstances in connection with the conflicting claims of Mr. J. K. Heslett in respect to that portion of the North West quarter of Section 9, Township 23, Range 21, West of the 4th Meridian, north of the Canadian Pacific Railway right-of-way, as against those of Mr. John Teschler, who was originally granted pre-emption entry for the entire quarter section.

This matter has already been investigated by Homestead Inspector Woodlock, and a copy of his report will be found embodied in the official memorandum of the 11th January last on H.O. File 1840513.

A regrettable feature of the case is that the original H.O. File No. 2933253 has been mislaid under some unaccountable circumstances, and the original sketch furnished by Homestead Inspector Woodlock is consequently not available. However, on the Agency file you will find a tracing (marked) which was made from the sketch in the Inspector's field notes, and this will give you an idea of the alleged location of Mr. Heslett's buildings.

The .....

J. W. Martin, Esq.,
Inspector of Dominion Lands Agencies,
Calgary, Alberta.

The topographical features of the plan are not true to form, as you will observe by a comparison with the plan prepared in the Department from survey records, [illegible] (File No. 29[illegible]3 Temporary.) However, this is not important inasmuch as there appears to be no question that the buildings are located all north of the right-of-way.

Mr. Teschler bases his claim on the fact that he was granted entry for the entire quarter section. While it is true that he was granted entry for the whole quarter, the action on the part of the local agent in granting his entry for that portion of the quarter section north of Kneehill Creek before its diversion was in error, as this portion thereof was formerly held under lease for grazing purposes in what was locally known as the Pope Ranch, and therefore, there would appear to be no question as to the right of the Department to withdraw this area from the entry.

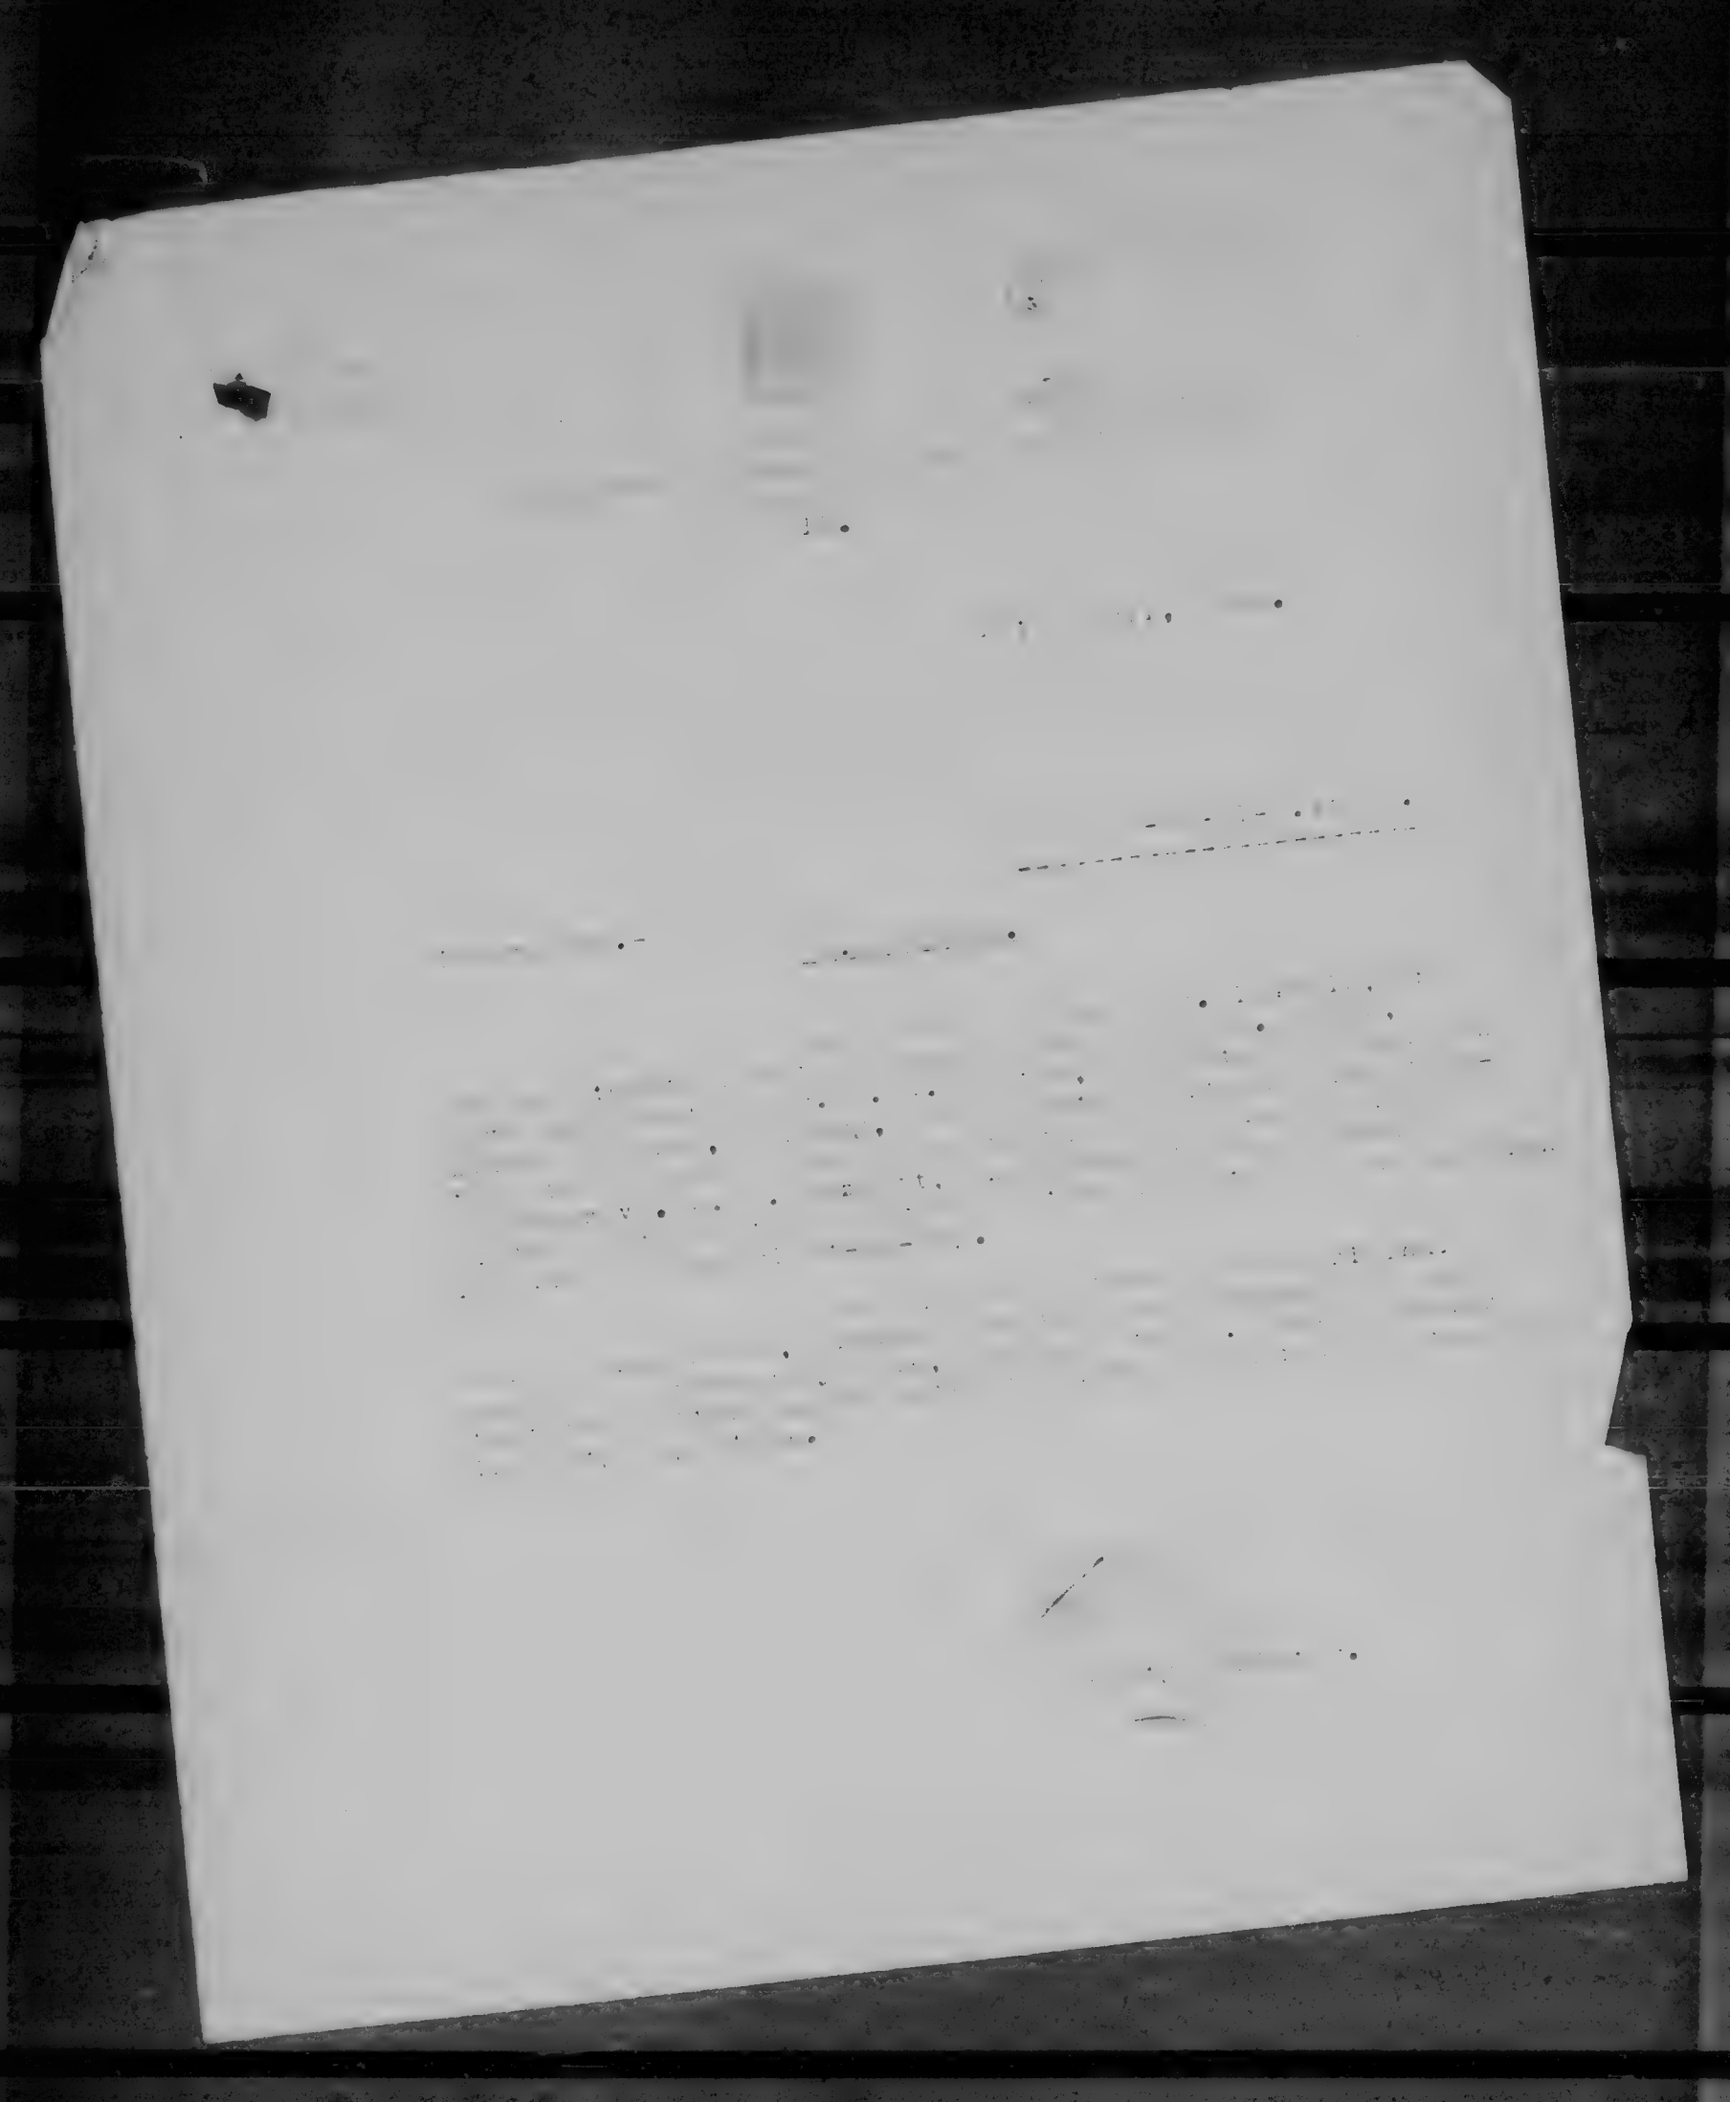

Exception might, however, be taken to withdrawing that portion of the quarter section lying south of Kneehill Creek before its diversion by the Canadian Pacific Railway Company, and you might touch on this aspect of the case in submitting your report, if after viewing the situation you feel that the Department has not a good case.

Mr. A. J. Garland, M.P., in the interests of John Teschler made an investigation himself in regard to the matter, and you will find copy of his letter of the 12th instant to myself on Temporary File No. 29[illegible]3, together with copies of a number of documents, which he has submitted bearing on the matter, and his representations should be carefully considered.

Please make arrangements to have this inspection carried out at the earliest possible date, and favour me with a full report and recommendation -- all files herewith being returned to the Department.

Yours very truly,

Deputy Minister.

settlers. Touching on this point Mr. Baker makes the following remarks in his report to the Surveyor-General on the 15th August last, copy of which will be found on file hereunder;-

"In my opinion, the ability of the owner of the [illegible] Section 9 to acquire the [illegible] of this settler, north of the creek, is not to get title to patent or pre-empt lands, but to be in the position of being able to force some of the settlers north of him, to purchase a right-of-way across his property, in order to be able, conveniently, to reach the railway siding which has been granted in section 9.

I was informed that last fall, while a number of men were cutting a road down [illegible] at the direction of one of the [illegible] were stopped by the owner of the [illegible] it was his land, and had to be paid for before the road could be built.

I would say that all the land in the [illegible] north of the creek, be reserved, [illegible] Department is committed to [illegible] N.W.T. Ry., I would strongly advise that title be not given unless a free right-of-way for a road be granted to the settlers above the valley to cut [illegible]

Had this land been surveyed for the provincial government might have applied to the Department for reservation of right-of-way for a road to the property under section 9, or a provision to this effect might have been for some years. It will not be necessary for the provincial authorities to deal with him unless the Department considers that an outlet to the Boulder Creek district is necessary. In his entry in respect to the [illegible] within the 'Pope Lands' and that before [illegible] the Department would have a perfect right to reserve right-of-way for a road. However, from a Department standpoint it would not be considered advisable to [illegible] matter.

Memorandum.

re L.S.L. 6-12-21, 14th M.
Pre-emption. - John Tessler.

Referring to the letter dated the 3rd August last, of Mr. [illegible], D.F., to the Deputy Minister, referred [illegible] (Mirrod), asking for immediate action in connection with the issue of patent in favour of Tessler, I beg to report that our records show that the amount paid application for patent on the 14th January, 1913, which was received here on the 14th inst., 1913, but was not approved.

Unfortunately file No. [illegible] has been lost seemingly under peculiar circumstances, and the application for patent with it. There is no evidence in our patent register as to what titles were performed, and consequently the only thing to do is to obtain a fresh application for patent. I would suggest that Superintendent Cuttle might be requested to recall his remarks of a [illegible] Inspector other than Mr. Woolford, to call on Mr. Tessler for this purpose as soon as possible.

This pre-emption is traversed by Emerald Creek and also by a branch of the Canadian Pacific Railway. A spring of good water is also present on the land and to safeguard the interests of [illegible] other settlers in the district the Department has had a special survey made with a view to eliminating a sufficient area about the spring which is to be reserved for the benefit of the community. This survey was recently made by [illegible], D.L.S., who, on examination, reports that there was sufficient to fully protect the spring. A plan of the new survey is now in the printer's hands.

In connection with this matter I desire it advisable to call attention to the remarks of Mr. Baker concerning the necessity, in his opinion, for the reservation of a right-of-way across this land for the benefit of other

settlers

MEMORANDUM:-

I beg to return your Ref. 11377, respecting the application of Mr. A. C. Galbraith, of Edmonton, for a saw mill site, on Legal Subdivision 14 and the fractional N.E.¼ of Section 10, Township 71, Range 1, West of the 5th Meridian, also applied for by Mr. J. A. Cornwall, and stating that Mr. Galbraith would withdraw his application if he were given a reasonable right for booming logs on the West side of the island in the river in the section above mentioned.

A report was obtained from Homestead Inspector S. C. Hagen in reference to Mr. Galbraith's application for the above mentioned land, in which the Inspector stated that Messrs. J. A. Cornwall and Company had erected a saw mill on this land at a cost of $10,000.00, and requested that the matter be left till Mr. Cornwall returned in September, when Mr. Galbraith hoped to arrive at a satisfactory settlement. The Inspector also suggested that Legal Subdivision 13 and fractional Legal Subdivision 14, in the N. ½ of Section 24, in this same township, be held for Mr. Galbraith.

In the meantime, Mr. Galbraith applied for the fractional N.E.¼ of Section 27, and subsequently applied for the parcels in the N. ½ of Section 24, which the Homestead Inspector had requested to be held for him.

None of the parcels applied for by Mr. Galbraith are available, as they are within timber berths and cannot be withdrawn without the consent of the licensee. The N. ½ of Section 24, is also applied for by the Edmonton, Dunvegan & British Columbia Railway Company for townsite purposes.

J. A. Seto, Esq.,
Acting Deputy Minister of the Interior.

In this

Department of the Interior,

LAND PATENTS BRANCH.

Ottawa, 191

In this connection, I may state that Mr. J. A. MacKenzie, of MacKenzie, Limited, Ottawa, acting for Mr. Galbraith, called at the Department a few days ago and stated that he would ascertain the description of an available parcel and make application therefor on behalf of Mr. Galbraith. Up to the present he has not done so.

The practice of the Department respecting mill sites, is to sell the land for not less than $10.00 an acre, subject to the erection of a mill, or to the satisfactory carrying out of the special purpose for which the land is sold, but no decision has been given as to the maximum area that may be sold for this purpose. The parcel in connection with which this ruling was made contained about 47 acres.

Licenses of Occupation for booming purposes are issued upon approval of the Minister of Public Works and the passing of the necessary Order in Council. Applications, however, for such purposes have lately been dealt with in the Water Powers Branch.

Respectfully submitted,

Controller.

Memorandum.

Your reference, No. 11,723 below, is a communication from Mr. Joseph Brewster with respect to an application which is made for entry for a discovery placer mining claim situated on the North West quarter of Section 23, Township 71, Range 1 West of the 5th Meridian. The Mining Recorder at Edmonton submitted the application to this Department in June last, and in reply his attention was called to the fact that the location applied for was situated within the limits of a timber berth, so that the applicant should enter into a bond under the regulations for the protection of the timber, and also a bond to indemnify the owners of the surface rights for any loss or damage which they might sustain.

In August last the Recorder forwarded to this Department a copy of a communication from the Chief Engineer of The Edmonton, Dunvegan and British Columbia Railway Company, in which he stated that the granting of this claim would mean detriment to the construction, operation and expansion of his company's yards, which they had planned to place in the immediate vicinity, and that the fact that the surface rights of the claim conflicted with the surface rights of the company would add to their disadvantage if it were granted, since the limits of the claim actually come within the limits of their right of way.

In

In reply the Recorder was informed that the Patent Branch of this Department had reported that the portion of the North West quarter of Section 23 lying South of the Athabaska River was vacant lands of the Crown, so that the complaint made by the Chief Engineer of the Railway Company was not understood, and he was asked to advise the Department as to the claim of the railway company to the lands in question, and also whether in his opinion entry should be granted Mr. Brewster for the claim for which he had made application.

It would appear that the Mining Recorder has asked Homestead Inspector Merrigan to visit this land and report whether in his opinion the granting of entry for a placer mining claim would be dangerous.

No report of inspection, however, has yet been received here. So far as the records of the Department are concerned the tract for which Mr. Brewster has asked for entry is vacant lands of the Crown and available.

Ottawa, 6th December, 1913.

My dear Sir,

I am in receipt of your letter of the 11th ultimo, with regard to your application for a discovery placer mining claim situated on the W. ½ of S. - 71 - 1, W.5th.M.

In reply I beg to say that your application has been received, but as the location applied for is situated within the limits of a timber berth it will be necessary for you to enter into a bond under the regulations for the protection of the timber, and also a bond to indemnify the owners of the surface rights, if any of the lands have been disposed of, for any loss or damage which such surface rights might sustain.

Owing to an objection filed by the Chief Engineer of the Edmonton, Dunvegan & British Columbia Railway Company, instructions have been given to have an inspector make a careful report as to the effect the granting of such mining rights would have on any interests of the Railway Company in that locality.

As soon as this report is received you will be further advised.

Yours faithfully,

Dear Sir

In your letter of 26th ult 1923
you mention that [illegible] had been made
for ; in favour of
NE [illegible] 23 T. 1 W of 5th M
already been granted [illegible] only used for public
trails.

And you [illegible] that there is no road
allowance whereby access may be had to the two
acres desired — [illegible] to advise the
Departt in this connection.

The reply was that a trail was passing by
the centre of the section and the railroad land was the
western limit, whereby we could expect the townsite
streets or avenues — (and frontage has been granted)

The centre post was taken out, and my
people found [illegible] "Cable hill" "in the vicinity" of it.
And later on, they found [illegible], probably in the S.W. 1/4
I mean in the N.W. corner of [illegible] W. of Section 23

Now, also, the highway is just being built, so that the old trail will be cancelled then my Church and cemetery will be far from the road, I mean separated by four chains, and by chains between the Church and the highway is slough which makes access difficult.

Therefore I ask the Department if they are to give me some more land, so that my cemetery should be on a corner possibly, and the Church moved to the opposite corner, cross the fence close to the highway on a convenient elevated spot. This should mean more acreage.

In the case the Department would not give whatsoever any more acreage, would it be willing to give me a plan for cemetery - where it is now - and another one for Church, the both amounting to exactly two acres? This means we should move the Church [illegible]

If so, the surveyors are just now here on the job to take the required measure, and give complete and prompt information to your decision.

I beg you answer my questions to know which kind of steps we have to take in order.

Yours truly

Sir,

I beg to acknowledge the receipt of your letter of the 12th instant filed here in the matter of your desire to obtain an extension of time on your homestead, the N.E. ¼ of Section 33, Township 16, Range 10, West of the Fourth Meridian, and in reply to say that in view of your representations, it has been decided to protect your entry until the 1st of May next in order that you may go into bona fide residence.

However, if you feel that this time is insufficient and you are unable to go onto the land by the date mentioned, your better plan would be to relinquish your entry for this quarter section and secure permission to take up other land at some future time when you may comply with the conditions of the regulations.

For this purpose, I am enclosing you herewith a blank form of abandonment No 215-A, which you will be required to have properly executed before a Justice of the Peace and return to the Agent of Dominion Lands at Medicine Hat, who will record same in his office and forward here when the matter will be further dealt with.

RECEIVED
MAY
DOMINION LANDS

General Inspection of Vacant Lands in Area "B".

R.M. of Lake Alma, Sask.

The different Branches of the Department report this land as clear. A Seed Grain Purchase amounting to $ 1,[illegible] and interest is, however, noted against the same.

Inspector's report no [illegible] recommended for cultivation and the whole quarter-section lies in a low flat and would only be very poor pasture. I would suggest, therefore, that the application be entered to cost this land for grazing only, provided he has no claim to the contrary.

The file should also be sent to Seed Grain Branch to note the above-noted Inspector's report and the [illegible] in the matter regarding Mr. Langford's claims.

It might be noted that Inspector Mayberry first visited the above [illegible] quarter-section as fit for cultivation, and a second inspection was made, further report should be asked for.

Re: Account of Mr. John Martin
N.½ 1-4-[illegible]-4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1922 seed grain amounting to $30.25 was advanced to Mr. John Martin on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 30.25	$ 63.24	$ 93.49

The N.½ 1-1-[illegible]-4 was formerly the homestead and pre-emption entries of the debtor whose entries were cancelled and the land is still unalienated Crown Land held in the right of the Province.

This half section is under the jurisdiction of the Department of Lands and Forests, Province of Alberta, and we have been advised that the land is presently included in a grazing lease #33648 and that there is little likelihood of the land ever being used again for farming purposes. As such the land no longer offers any security of value for our advance.

Under the circumstances it is recommended that the indebtedness be cancelled.

Dear Sir:-

On Nov 18th 1917 I filed on the nw ¼ of sec 25- 26 25- Rge 4 west of the 4th mer as a homestead and on the sw ¼ of Sec 25- 26 25- Rge west of the 4th mer as a pre-emption.

on Nov 25th of 1919 I was discharged from the Army medically unfit and I have been hoping right along that I would be able to get on my homestead but the doctor says I cannot stand the work and I am writing to know if there can be anything done towards granting me my patent without me going on the land.

I feel it is through no fault of my own that I am unable to do this residence and feel that as I am in this shape on account of services given to Canada that something may be done.

Hoping to hear from you soon in regard to the matter. I am

In the absence of definite information showing the performance in a satisfactory manner of the settlement duties required in connection with your pre-emption above described the Department would be justified in cancelling your entry summarily.

Re: Account of F.W. Johnson,
S.E. 27-25-7-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain amounting to $157.00 was advanced to F.W. Johnson on the security of the above mentioned land. A payment of eighty cents was received in 1920 and applied to the interest. The present standing of this account is:-

Principal	Interest	Total
$ 157.00	$ 371.73	$ 528.73

Patent was issued in the name of Fred Walter Johnson for the S.E. 27-25-7-W.4th on the 4th of May, 1921, subject to the 1919 lien.

In reply to our questionnaire of the 25th of September, 1953, The Director of Assessments, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"Title to this land is presently vested in this Department, having been acquired through Tax Recovery proceedings. This land is occupied under Grazing Lease as issued by this Department and in view of its being situated in that part of the Province designated "Special Areas" there is little likelihood of any sale being made of same."

The information obtained indicates that the land is such that it is unlikely to be used for farming purposes or disposed of by sale in the near future and no longer offers any security of value for our lien. Under the circumstances it is recommended that the indebtedness be cancelled and the lien discharged.

MEMORANDUM: Request for Transfer of Dominion Lands.

Re: James B. Mackenzie, No.888060,
S.E.¼ 27-33-15-4.4th M. - Sask.
S.W.¼ 27-33-15-4.4th M. - S.S.

From the Board for permanent improvements and stock and equipment totalling $3000, the above named settler secured advances upon his unpatented homestead and soldier grant above described. Owing to such charge, patent to the homestead or soldier grant cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Mackenzie requesting that patent to his homestead and soldier grant should be issued in favour of the Board. Mr. Mackenzie states that he has completed all duties in connection with his homestead and soldier grant and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letter from the Assistant Secretary of the Department to the settler, and from the Secretary of the Department to the settler, dated the 30th January, 1926.

It is in order to enable a settler to negotiate a sale of land in cases of this character, special Regulations were passed by the Board as approved by the Governor in Council on the 4th day of June, 1921, (P.C.1221), which enables the Minister, on confirmation of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the land in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these Regulations, the Board hereby requests that the right, title and interest of His Majesty in the S.E.¼ 27-33-15-W.4th M. be vested in the Soldier Settlement Board. The vesting Order covering same is attached hereto for the Minister's signature.

Respectfully submitted,

Chairman.

MR. [illegible].

S.W. 9-57-6-W. 5th. M.
Homestead of E.A. Lamoree, deceased
Entry granted, 1st. May 1918.

Mr. Alexander Kennedy has applied for patent for this land on behalf of Louise Chase Lamoree, Administratrix of the estate of the late E.A. Lamoree.

The application for patent shows that the late entrant resided on this land from the date of entry until May 1918, and also shows that he died on or about the 12th. November 1918. The application for patent only shows a total cultivation of 25 acres but on the 9th. August last, Mr. Homestead Inspector Hagan visited this land and valued the breaking at $375.00, therefore, the cultivation would appear to be in order.

Letters of Administration have been filed in the Department and they are made out in the name of Louise Chase Lamoree.

Emery, Newell, Ford & Lindsay, Barristers of Wainwright, Alberta, forwarded to this Department form No. 27, signed by Louise Chase Lamoree, but the date of the application for entry for this land has not been filled in.

Please say if the form may be accepted without this information and if the application for patent may be accepted on the evidence produced.

MEMORANDUM:

Request for transfer of Dominion Lands under Section 27 of the Soldier Settlement Act.

Re: Albert Skett,
N.W.¼ 25-56-15 W.5th (Hsd.)
S.E.¼ 26-56-15 W.5th (S.G.)

The above described lands were secured by this settler under homestead and soldier grant entries. The settler has made default in the terms of his agreement with the Board and abandoned the land. His agreement has been rescinded.

The settler was established with a loan in April 1919, and in due course secured advances from the Board amounting to $3203.30, as follows: permanent improvements, $1057.45; stock and equipment $1573.25; special advances, $572.60. As security the Board holds a charge on the settler's homestead and soldier grant. There is no other land security held by the Board in this case.

In January 1927 the settler called at the District Office and was interviewed by the District Superintendent. The settler had left the farm and when interviewed declined to return but requested that he be given permission to dispose of the farm if the Board would not take over the land under the British Family Settlement Scheme. He was definitely informed that the latter course could not be adopted. The settler would not return to his farm on account of losing his wife after a prolonged illness. He was served with a Thirty Day Notice on the 17th November, 1927, to which no defence was filed.

The settler's indebtedness amounts to $3208.51. The half section has been appraised as a unit at $1800.00. There are, however, considerable lands available for homestead entry in the District and tax sale properties can be obtained at $200.00 per quarter-section. No arrangements have been made for the disposal of this land and no offers have been received.

The land in question being charged land within the meaning of Section 27 of the Soldier Settlement Act, and the settler being in default with respect to the terms and conditions of his agreement made with the Board, it is hereby requested that the right, title and interest of the said settler in the above land be forfeited and the said right, title and interest of the settler and also the right, title and interest of His Majesty to and in the said charged land be vested in the Board.

The Board has an effective charge on the land under the recent amendment to Section 26 of the Act, as all the advances referred to in the second paragraph hereof were made to the settler subsequent to his entry for the N.W.¼ 25-56-15 W.5th and the S.W.¼ 36-56-15 W.5th entry, for the latter quarter-section being subsequently transferred to the S.E.¼ 26-56-15 W.5th.

A Vesting Order for signature is attached hereto.

W. W. Cory, Esq., C. M. G.,
Deputy Minister of the Interior,
OTTAWA.

Chairman.

made by the Board found and determined that the settler has made default as hereinbefore recited and that the right, title and interest of the said settler to or in the said charged land should therefore be forfeited.

Re: W. 30 - 5[illegible] - 15. West 5th.
Application of Mrs. Lydia Lamb, -
dated the 23rd of May, 1913.

It would appear that Mrs. Lamb obtained entry whilst not a widow, but only a divorced woman.

In his letter of the 16th ultimo, the Commissioner directed her to submit her Decree of Divorce and it is hereunder.

It does not state that Mrs. Lamb has minor children, but her application to homestead and her statutory declaration of the 13th of October last, show that she has a child of fourteen years of age residing with her.

Please peruse the letter of the 23rd ultimo, hereunder, and say whether the entry is to be confirmed.

Memorandum:

OTTAWA -

Request for Title under Order in Council of the 4th June, 1921, where duties completed by soldier settler.

Re: Eugene A. Probst,
S.E.¼ 6-71-9 W.6th M. (Hsd.)

The above-described land is the unpatented homestead of this settler.

Subsequent to the initial loan approved in his favour on the 23rd September, 1921, the settler secured advances from the Board totalling $1675.00, as follows: stock and equipment, $1500.00; permanent improvements, $175.00. As security the Board holds a charge on the settler's homestead. The only other land security held by the Board in this case is a charge on the N.W.¼ 25-70-10 W.6th M., the settler's soldier grant.

The Board is informed that the settler has completed the duties in connection with his homestead, and would be entitled to receive patent but for the Board's charge. This is confirmed by the letter from the Commissioner of Dominion Lands to the Board, dated the 24th October, 1929.

The regulations approved by the Governor in Council on the 4th June, 1921, P.C. 1221, enable the Minister, on completion of duties by the settler and on the request of the Board to vest the settler's right, title and interest in the unpatented Dominion land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler has requested that title to the land be issued to the Board. There is nothing on file to show that he contemplates discontinuing his farming enterprise. However, the settler desires to have title issued as aforesaid in order that it may be held by the Board as security for the advances granted, and in order to be in a position to negotiate a sale should he decide to do so at a future date.

Under the provisions of the regulations referred to, the Board hereby requests that the right, title and interest of His Majesty in the S.E.¼ 6-71-9 W.6th M. be vested in the Soldier Settlement Board.

The Board has an effective charge on the land under the recent amendment to Section 20 of the Soldier Settlement Act, as all the advances referred to in the second paragraph hereof were made to the settler subsequent to the date of entry for his homestead.

A Vesting Order for signature is attached hereto.

Forces cannot be considered as either resilence in Canada or service with the Crown, and for that reason Tourneux cannot be considered within the section. There is no provision for military service except that with the British Forces.

I have the honour to be,

Sir,

Your obedient servant,

Under-Secretary of State.

DEPARTMENT OF THE SECRETARY OF STATE
OF CANADA

Ottawa, 10th February, 1920.

Sir,

2938010

I have the honour to acknowledge the receipt of your letter of the 24th ultimo, and to express my regret that, owing to the removal of the Department, I have been unable to answer it sooner.

With respect ot Joseph Pickard, there appears to be no doubt that a Certificate may issue. There is considerable difficulty in dealing with Austrians, as people who bear that nationality may be of a race or community friendly to the Allies, such as the Czecho-Slovaks, the Serb-Croat-Slovenes, and others. Beyond this, however, the period of service with the Expeditionary Force would seem to qualify him.

In the case of Pascal Tourneux, there are difficulties which would prevent the issue of a Certificate. The Statute requires residence in Canada or service with the Crown, and the last year's residence must be within Canada. Service with the French Forces

Mr. E.M. Medlen,

Seed Grain Advisory Board.

Re: Account of George Stewart,
S.W. 36-71-3-W.6th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1914, 1915 and 1917 relief and seed grain amounting to $197.35 were advanced to George Stewart on the security of the above mentioned land. Payments amounting to $170.00 were received in 1927 and 1928 and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$ 114.52	$ 180.97	$ 295.49

Patent was issued in the name of George Stewart for the S.W. 36-71-3-W.6th on the 5th of June, 1918, subject to the liens.

In 1926 it was reported that the land was not being cultivated and that it was going back to sod.

This quarter section has since been acquired by the Municipality of Grade Prairie pursuant to the Tax Recovery Act. The land is now leased by the municipality to a Mr. Charles Stewart of Bezanson, Alberta, and we have been informed that there is an accumulation of $864.22 arrears of taxes outstanding against it. As such the land no longer offers any security of value for our liens.

Under the circumstances it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

W.J. Taylor.

OTTAWA, 18th October, 1928.

Sir,-

S.E. ¼ Sec. 5 Tp. 68 Rge. 21 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

MEMORANDUM:

Request for Transfer of Dominion Lands.

Re: Alexander Lee, No. 100586,
S.W. 31-63-22 W.4th Mer. - Hsd.
N.E. 1-64-23 W.4th Mer. - S.G.

The above named settler secured advances from the Board totalling $1100, the Board taking a charge upon his unpatented homestead and soldier grant above described. Owing to such charge, patent to the homestead and soldier grant cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Lee requesting that patent to his homestead and soldier grant should be issued in favor of the Board. Mr. Lee states that he has completed all duties in connection with his homestead and soldier grant and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letters from the Secretary of the Department to the settler, dated the 1st of September, 1926.

In order to enable a settler to negotiate a sale of land in cases of this character, special regulations were promulgated by the Board as approved by the Governor in Council on the 4th day of June, 1921, P.C. 1421, which enables the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these regulations, the Board hereby requests that the right, title and interest of His Majesty in the S.W.¼ 31-63-22 W.4th Mer. and the N.E.¼ 1-64-23 W.4th Mer. be vested in the Soldier Settlement Board. The Vesting Order covering same is attached hereto for the Minister's signature.

Request for title under Order in Council of the 4th June, 1921, where duties completed by soldier settler.

Re. Hazil Edwin Pollington,
S.W.¼ 17-53-23-W.4th M. (Ist.)
S.E.¼ 18-53-23-W.4th M. (H.E.)

The above-described land is the unpatented homestead and soldier grant of this settler.

The settler has obtained advances from the Board totalling $1590.00, as follows, stock and equipment, $1300.00; permanent improvements, $290.00; special advances, $00.00. In addition to the above-mentioned advances, the Board has placed a charge on the settler's homestead and soldier grant. [illegible] no other charges against the same.

The Board is informed that the settler has completed the duties in connection with his homestead and soldier grant and would be entitled to receive patent only for the Board's charge. This is evidenced by the letter from the Secretary of the Department of the Interior dated the 23rd July, 1925, and the 9th August, 1927.

The regulations approved by His Excellency the Governor in Council on the 4th June, 1921, P.C. 1111, enable the Minister, on completion of the duties by the settler but in the interest of the Board, to vest the settler's right, title and interest in the unpatented Dominion land held by him in the Board, title remaining in the Board until the settler's indebtedness to the Board has been repaid. The transfer of title also enables the settler to mortgage the land with the view to repaying the Board the amount advanced from the Board.

The settler has requested that title to the above-described land be issued to him. In addition to the completion of the duties required by the Act, the settler has also repaid in full the amount advanced from the Board as at the 23rd January, 1928, and it is therefore in order that title to the above-described land be issued to the settler, as the Board is in a position to release all its interest in the land.

Under the provisions of the regulations referred to, the Board hereby releases all its rights, title and interest of and in the S.W.¼ 17-53-23-W.4th M. and the S.E.¼ 18-53-23-W.4th M. vested in the Board by the Settlement Act.

Application to have patent for this land vested in the Soldier Settlement Board under the Order-in-Council of the 4th June, 1921, (P.C. 1821).

This entrant has obtained advances from the Soldier Settlement Board amounting to $1555.00, as follows: stock and equipment, $1380.00; permanent improvements, $120.00; special advances, $55.00. The Board holds no other land security.

The entrant has applied for patent claiming duties as shown on Forms 56A hereunder. Apparently the duties have been performed in a satisfactory manner and the applications have been accepted, but in view of the above mentioned loan he was advised that patent could not issue in his name until his indebtedness to the Board was paid in full.

In a memorandum hereunder dated the 28th ultimo, the Soldier Settlement Board reports the receipt of an application from the entrant to have patent for this land issued in favour of the Board and it is pointed out in the memorandum that this would enable the entrant to negotiate a sale of the land. A Vesting Order for the Minister's signature is attached.

It is stated in the Vesting Order that the settler is residing on the land.

It is suggested that the necessary action be taken to have patent for this land issue in the name of the Board.

Sir,-

S.W. ¼ of Sec. 17 Tp. 63 Rge. 23 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1918, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who earned patent for the quarter section above described and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Sir,

I am to acknowledge your letter of the 4th instant, files C. 7795, 1716, claiming re ort of Dominion Inspector [illegible] in reference to the [illegible] West quarter of Section 21, Township 7, [illegible] 14, West of the Meridian, and in reply to say that as the land is already [illegible] classed as suitable for agriculture or for stock raising purposes, unless you have received an application for entry from anyone, you will be allowed to make homestead entry thereof for the present.

[illegible] letter of the [illegible] ult. last referring to the application [illegible] ort in reference to the North West quarter of Section 17, Township 7, [illegible] 14, West of the Meridian was written under the impression that this land is included in Indian Reserve No. [illegible] which was transferred to the Department of Indian Affairs by Order-in-Council of the 6th January, 1914. In any case it would appear that in reminding you of the report referred to it was the intention to refer to the South West quarter of Section 21 instead of the North West quarter of 17, the report in reference to which was, as stated by you, forwarded to the Department on the [illegible] April, 1914, and only considered in connection with the application to purchase.

Your obedient servant,

[illegible] Secretary.

The claims to the lots in this Reserve were also investigated by Mr. Chief Justice Howell who had been furnished with the reports of the former Commissioners, but no mention is made of Mr. Kennedy's claim by the Chief Justice, and when the Indian allotments were made in 1908 a treaty Indian named John James Flett was in possession of the lot in question, and under the terms of the surrender he received a patent therefor.

Mr. Kennedy was advised in reference to his claim in March, 1910, and December, 1909; and in November, 1900, Messrs. Heap and Heap, Barristers, of Selkirk, who had applied on behalf of Mr. Kennedy, were also advised.

Ottawa, 3rd January, 1899.

Re plan of Yahiskow settlement.

A request has been received from the Union Bay Colliery to be furnished with a copy of the plan of Yahiskow settlement.

The plan has not yet been furnished to the Agent of Dominion Lands, the Inspector or the general public, as under general instructions from you, no plans are to be released until the squatters' claims to lands therein have been considered and decision given as to the question of the lands for settlement.

There are several plans of Northern settlements which are still held up pending consideration, some of the cases having been disposed of but others awaiting further information and report from a Dominion Land Surveyor as to the merits of the claims.

The surveys of these settlements were made to meet the requirements of the settlers at those different points and in most cases the lots are of small size varying from a fraction of an acre up to forty or fifty acres with some additional lots of larger size, up to 160 or 170 acres, these latter being of sufficient size to homestead.

Many of the claims are based on occupancy at the time of the extinguishment of the Indian Title in the summer of 1899 and are dealt with as such, claims are based on occupancy prior to survey and are dealt with on their merits.

With reference to your letter of the 17th October last, I beg to inform you that the statutory declaration enclosed therein relating to Lot 5, Wabiskaw Settlement, has been noted and to add that a report was called for from the Department of Indian Affairs in this connection also, but has not yet been received. On the 10th May last, a letter was forwarded to Revillon Freres Trading Company, Limited, Montreal, requesting it to file here evidence of its claim of title to Lot 1, Wabiskaw, as it appears that the Company bought this lot from Colin Johnston who purchased from his brother, Samuel Johnston. You may be able to supply the required evidence.

Lot 7 - Area 10.7 acres.

[illegible] declaration [illegible] ther [illegible] on behalf of the Rev. [illegible] the Immaculate Conception of Mission before the [illegible] the 15th August, 1911, which sets forth that they have no title to this lot from the Government but that they have thereon a church and two stables. The declaration shows that there is a church and other buildings of the . . Mission on Lot 26, reserve.

Lot 26 is being made free grant to the . . Mission. It contains 21.1 acres.

[illegible] Inspector's report dated the 28th June, 1910, shows that the improvements on Lot 7 were a log house [illegible] value 1.00.) and log stable [illegible] value 1.00.). It does not state when these were built. It will appear on the 30th December, 1911, or [illegible]. The Inspector did not know when or [illegible] possession of Lot 7 as he was only looking at the time of the inspection and did not know apparently came there after the treaty was made in 1871. A Mr. [illegible] Inspector's report dated the 16th March, 1911, reads as follows:-

> Lot 7 - Claimant . . Mission.
> Improvements - house, log, value [illegible].
> Other [illegible].
> "The improvements on this land were [illegible] "some years ago by the . . Mission from "Brunelle Lacer, a Treaty Indian for the purpose "of using it for church purposes."

"As the

Note:-
This refers to a conflict in Missionary work not in the matter of the lands claimed by each.

"As the R. C. Mission have already been
"conceded a large tract of land at South
"Sabasca Lake and also owing to the fact
"that by being allowed to have possession
"of this lot they will conflict with the
"English Mission at this point. I would
"consider that it would not be advisable
"to allow them this lot. Their Mission
" is situated at the South Sabasca Lake
"a distance of three miles from here. The
"English Mission are not and do not intend
"to trespass on them at South Sabasca. I
"would consider that it would be only fair
"and just to the English Mission that the
"R. C. Mission should not be allowed
"possession of this lot at this point.
"I would recommend that this lot be opened
"for entry by purchase at a valuation of
"($5.00) Five Dollars per acre.
"I would recommend that this land be given
"to some of the old settlers that have no
"land deed and are entitled to some."

As additional evidence in support of their claim the R. C. Mission should be asked to file here the transfer of Lot 7 from Francis Auger to them or satisfactory declarations from two or more disinterested persons cognizant of the facts setting forth the manner in which they acquired this lot from Francis Auger.

Lot 27

Area 157 acres.

This lot is claimed in conjunction with Lots 7 and 25 but no improvements had been made on it at the date the statutory declaration mentioned above was made and no residence had been performed thereon. On the 28th June, 1915, when the Homestead Inspector reported on the other claims of the Mission here he omitted to forward information in connection with Lot 27 but a Homestead Inspector's report dated the 17th March, 1921, in connection with this lot has been received. It reads as follows:

Land:- Lots 27 and 28
Claimant - R. C. Mission.
In residence.
General Remarks:- "I would recommend that they
"be given a free grant to these respective lots
"as their outbuildings and priests'house are on
"these lots."

It is not clear from this report as to exactly what improvements are on Lot 27. It should be ascertained what residence was actually performed on Lot 27 and what improvements have been made on this lot or for what purpose it is required.

On the 28th September, 1918, the then Minister reviewed the [illegible]

[illegible]

Lots 7, 25 and 27 and his orders and views were expressed as follows:-

"Why did not our Inspector make full "Inspection and report? Would advise "that only right to Lot 25 made out and "await filing of sworn evidence as to "any claim to other lots. There appears "no right at all on this file. The "expense of a further report would be "considerable and not justified now at all "events."

Lot 28

Area 122 acres.

A statutory declaration was made by Sister Catherine Aurelie for the Sisters of Providence of Montreal in support of their claim to Lots 25 and 26. It sets forth that they first settled and made improvements on these lots in 1901 and have performed continuous residence since that date. About five acres were broken in 1903 and cropped. The improvements consisted of log buildings, 40x20, 30x20, 22x16, value about $1500.00, situated on Lot 26. 2 stables and nine other buildings, 18x20, 10x10, 20x20, 18x16, 20x10, 18x20, 10x10, 40x20, 40x28, value $2000.00 on Lot 26, fencing value $150.00. They also had two horses and three cows.

As mentioned in the statement on Lot 27 above a joint report was made by the Homestead Inspector on the 17th March, 1921, on Lots 27 and 28. It is quoted above. Similar information to that required in connection with Lot 27 might be secured in this case before the disposition of this lot is further considered.

Lot 26

Area 39.7 acres.

The statutory declaration quoted above in connection with Lot 28 shows improvements and residence in support of the Mission's claim to this lot.

A Homestead Inspector's report dated the 24th June, 1915, reads as follows:-

Name of Homesteader:- La Corporation Episcopale d'Athabasca.
Land:- Lot 26, Athabasca Settlement.

"2½ story Convent (frame building)		100x50	
"1½ story Lean	Log	28x22	3000.00
"1½ story Lean	do	32x20	800.00
" Warehouse (round log)		18x24	2000.00
" do	do	18x16	300.00
" do	do	18x16	75.00
"Laundry		20x18	40.00

"This lot is claimed by "La Corporation Episcopale "d'Athabasca. The occupation of the Oblates "have occupied this piece of land since the year "of 1897. Actually the land in question is "occupied by a certain congregation of Nuns.

"Location.

"La Corporation Episcopale d'Athabasca claims
"to be entitled to this lot as a free grant
"owing to their residence on it prior to the
"treaty made in 1899."

On the 20th September, 1918, when the claims to Lots 26 and 28 were submitted to the Minister the following conclusion was noted by him:-

"No evidence of right shown here. No action
"unless substantial evidence produced."

A Homestead Inspector's report dated the 17th March, 1921, was forwarded here. It reads as follows:-

Lot 26
R.C.Mission, in residence.
"I would recommend that they be given a
"free grant for this lot."

The report just quoted appears to me to be insufficient for the purpose of reaching a decision. However it is evident that there are improvements on this lot as the Inspector states the Mission is in residence here. A further report should be secured outlining what improvements are located on this lot, the value of the same and for what purpose the land is required.

From the Homestead Inspector's report dated the 24th June, 1915, it is observed that La Corporation Episcopale Catholique Romaine d'Athabasca claims this lot as a free grant based on its occupancy of the land at the date of the extinguishment of the Indian title in the summer of 1899. Evidence in support of its claim in the form of declarations made by two or more disinterested persons cognizant of the facts should be filed here. It appears that this lot is now occupied and claimed by another corporation, The Sisters of Providence of Montreal, and its claim is based on occupancy since 1901 and improvements thereon as set forth in the statutory declaration dated the 19th August, 1913. It will be necessary for it to inform the Department of the manner in which this lot was acquired from La Corporation Episcopale Catholique Romaine d'Athabasca and file here the assignment, transfer or other documents of this transaction.

17th March, 1921. The Homestead Inspector's report dated the quoted under the statement in connection with Lot 27 above shows that Lot 28 is claimed by the R.C. Mission and these two lots are the location of its out-buildings and priests' house, while the statutory declaration of the 19th August, 1913, mentioned before, by the Sisters of Providence was made in connection with their claim to Lots 26 and 28. If the Sisters of Providence are not in occupancy of Lot 28 the corporation at present claiming this land, namely La Corporation Episcopale Catholique Romaine d'Athabasca, should file here an assignment or transfer from the corporation which was the original claimant, namely, the Sisters of Providence.

My Lord:-

Re Lots 26 and 28, [illegible]
Settlement, Alberta.
Areas 39.7 acres and 128 acres,
respectively.

Before a decision can be reached concerning the disposition of the above named lots, further information is required. I beg to request that you will endeavour to supply the Department with the facts in each case and the documents required as set forth in the statements following:-

Lot 26 Area 39.7 acres.

A statutory declaration dated the 15th August, 1915, made by Sister Catherine Aurelie for the Sisters of Providence of Montreal, now of Tabanac, before the surveyor shows that the Sisters of Providence settled on this land in 1901, and have performed continuous residence to the date of this declaration and claim this lot.

A Homestead Inspector's report dated the 14th June, 1915, shows that this lot is claimed as a free grant by La Corporation Episcopale d'Athabasca based on its occupation prior to the Indian Treaty in 1899. It adds that the congregation of the Oblates have occupied this land since 1897; also that the land in question is actually occupied by a certain congregation of Nuns.

As the Sisters of Providence are actually in residence on Lot 26 and have been located thereon since 1901, there should be filed here by them an assignment or transfer of this land which they occupy from the original occupants thereof, and the original occupants, if they desire to establish their claim to Lot 26 and occupancy thereof prior to the Indian Treaty in 1899, should file here statutory declarations made by two or more disinterested persons cognizant of the facts setting forth the periods of residence performed thereon.

It appears that the congregation of the Oblates and La Corporation Episcopale d'Athabasca both claim this Lot 26 based on occupancy prior to the extinguishment of the Indian Title in 1899. It is necessary for the

His Lordship,
Bishop Grouard,
Grouard, Alberta.

Department

Department to know whether these are two or one and the same corporate body, whether residence is being performed on Lot 26 at present by the same as well as the Sisters of Providence, and if so the portions of Lot 26 occupied by each.

Lot 28 Area 132 acres.

The statutory declaration dated the 19th August, 1915, was made by Sister Catherine Aurelie for the Sisters of Providence of Montreal, now of Wabasca, in support of their claim to this lot in conjunction with Lot 26 but it does not set forth the amount of improvements made on this lot separately or the actual residence performed thereon.

A Homestead Inspector's report dated the 17th March, 1921, shows that Lot 28 is claimed by the R.C.Mission in conjunction with Lot 27 and states that the outbuildings and priests' house are located thereon. This report does not show the residence and improvements made on Lot 28 separately.

It is necessary to know by whom the first residence and improvements were made on Lot 28, who is now in residence and on what grounds the claims to this lot are based. The claim to this lot should be supported by statutory declarations made by two or more disinterested persons cognizant of the facts setting forth the periods of residence performed by the present claimant therefor, the improvements located thereon and by whom made and if this lot was acquired from a former claimant, the assignment or transfer from the original occupant should be submitted.

As soon as the required documents and information are received the disposition of these lots will receive further consideration and the claimants concerned will be informed of the decisions reached in due course.

Kindly reply at your earliest convenience.

"I would also recommend that if the house
"belongs to Neville Bros. that they be allowed
"to remove same from the Lot."

On the 19th April, 1921, the Solicitor of the Company stated that the Company had erected considerable improvements in the form of buildings and so forth on Lots 1 and 5 and desired to purchase those lands.

On the 17th October last, the Company's Solicitors supplied a transfer or assignment from Yellowknee, who had lived on Lot 5 and renewed the application to purchase.

Referring to the claim of the Company to Lots 1 and 5 on the 5th January last, the Solicitors for the Company informed the Department that they were instructed by their client that the same did not own any land in the District of Mackenzie, and asked that this be pointed out to the Homestead Inspector, so that a correct report might be furnished by the Homestead Inspector for the Departmental files.

Homestead Inspector Grift has supplied a report, dated the 4th of January, 1922 as follows:-

"John Neville, Manager for Neville Brothers, Co.,
"Ltd, who I interviewed today, claims that they
"consider that Lot 1, consisting of 11.5 acres,
"is sufficient land for their needs at Mackenzie.
"Their only claim to Lot 5 is
"the house, for which in case of this Lot being
"sold, they would wish to be reimbursed for
"same.
"They do not claim any other land in the
"Mackenzie settlement, except Lot 1."

There seems to be a conflict between the Inspector's report and the information supplied by the Company's Solicitors in regard to Lot 5. It appears to be that the Company desires to purchase this Lot 5 for which they have no improvements since they have turned the house over to Yellowknee. It will be well to point out to the Company the point of the matter to obtain from the Company's Solicitors Inspector's report and ascertain whether the Company claims any other land in the opinion of the Inspector as reported by the Homestead Inspector.

Re Lots 25 & 27, Paris ew Settlement, Alberta.
Area 21, acres [illegible] acres reservation.

Bishop Grouard was informed that a free grant of Lot 25 would be made to him.

Further information was required in connection with Lot . This has been received.

Lot 27 is [illegible] In favour of Mission Catholique Romaine d'Athabaska in connection with Lot 25.

A statutory declaration dated 14th August, 1913, was made by Rev. P. Rabay on behalf of the Fathers of the Mission to Conception in support of their claim to Lots 7, 25 and 27. This declaration shows that Lot 7 was purchased from the original claimant to proof that the Mission had made improvements thereon, that valuable improvements had been made on Lot 25, but no improvements were reported to have been made on Lot 27.

Lot 27 lies to the rear of Lot 25 [illegible] from it by a road allowance.

A declaration dated [illegible] before [illegible], Notary Public, [illegible], in support of the claim [illegible] tion Mission Catholique Romaine d'Athabaska to a parcel of land at Lubicon Lake, described as the point at the [illegible] before the Narrows, extending 1 mile [illegible] more or less due to the North East [illegible] Lake Keepone and Thomas Cladu respectively. This parcel would appear to extend from the Lake Shore to a point in the [illegible] 7 [illegible] bounded by the Narrows on Lots 25 and [illegible]

[illegible]

[illegible]

[

The following letter dated 20th December, 1921, has been received from Bishop Grouard.

" I pardon my delay in answering you re the "parcel of land at Lake Wabisiskaw. We have had "there for a very long time a Mission (1897) "with Church, Presbytery, Cemetery and Convent. "We have a right to the land we are occupying "and I am surprised to see by your letter area "21.10 acres.

" I have not seen the surveyor's report nor "the map of these lots and I do not know which "is the Lot 25 you speak of. This ignorance on "my part has prevented my answering earlier and "I am still to day in the same state of em- "barrassment. In any event, [illegible] t "160 acres of a free grant from the Government "for our Missions established before the Treaty "made with the Indians in 1899. I make this "claim to the land in the name of La Corporatio "Episcopale Catholique Romaine d'Athabaska and "it is for this Corporation that the patent "should be issued." (Sd) E. Grouard, O. M. I. "Apostolic Vicar of Athabaska."

The following letter dated 27th April, 1914, has been received. [illegible]

" At the time of the treaty [illegible] "Minister of the Interior, [illegible] "Hon. Oliver, [illegible] "Grouard, that he would allow [illegible] "patent at every point where he had a mission "which arrangement was, in all cases, carried "out; the lands being granted as a free grant.

" With regard to Wabisiskaw settlement, His "Lordship Bishop Grouard has his mission es- "tablished on lot 25 and the Sisters, (Sisters "of the Providence, of Montreal) are established "on lot 26. In both cases they were allowed "the location of free grant lots, reference to "which in the Survey of this Settlement, provision "therefor was made by making available for the "Bishop lot 27 and for the Sisters lot 28, as "shown on the plan of Wabisiskaw Settlement com- "piled from Official Survey, by C.J.Lonergan, "D.L.S., 16th August, 1913, [illegible] Seibert, D.L.S. "last February, 1914; [illegible] Pearson, D.L.S., 13th "March, 1914.

" It appears that subsequently and by error one "of the Fathers applied for the lands contain- ed in lots 25 and 26 and the Sisters applied fo lot 27 and lot 28, to which they were entitled. "His Lordship Bishop Grouard now desires to "receive the grant to the land contained in "lots 5 and 7 and has been requested by the "Government to release whatever claim may be "to lot 16, this is of course quite in order,

"as he does not claim lot 26 and the claim of
"the latter afore said being the result of an
"error.

" We are consequently enclosing you herewith a
"surrender in the form of a Quit Claim Deed
"under the seal of the Bishop's Corporation,
"which we assume will answer the purpose.

" Would you therefore be good enough to issue
"your grant of Lots 25 and 27 of the said
"Settlement to La Corporation Episcopale
"Catholique Romaine d'Athabaska, which is the
"Bishop's Corporation. (Sd) Cormack & Mackie.

It would appear from the foregoing statements that Bishop Grouard has established his claim to the parcel of land comprising Lots 25 and 27 containing 15[illegible].1 acres more or less and forming part of the entire holdings of the Mission of the locality (Treaty No. 8, 1899) under the provisions of Section 76 of the Dominion Lands Act. Therefore I beg to recommend that the authority of the Governor-in-Council be obtained sanctioning a free grant of Lots 25 and 27 to La Corporation Episcopale Catholique Romaine d'Athabaska which is the Bishop's Corporation, and for the issue of a patent for the same.

[illegible] Lots [illegible], [illegible] Settlement, Alberta.
[illegible] acres and [illegible] acres, respectively.

I beg to submit for your consideration the claim of the Sisters of Providence to the above mentioned lots.

[illegible] dated the 14th of August, 1911, [illegible] Superior Sisters of Providence in support of their claim. This declaration shows that the Sisters of Providence first settled on this land in 1908 and have always lived on this land. There are improvements on this land, consisting of about five acres broken in all, two log houses on Lot [illegible], valued at $600.00; two stables and sundry other buildings, valued at $300.00; and fifteen acres valued at about $[illegible]; the whole forming a village.

Homestead Inspector's report, dated the 4th of June, 1911, shows that the Sisters of Providence have settled on this land and have erected improvements thereon.

On the 3rd of October, 1911, a letter in connection with these lots was submitted, showing the conflicting claims to this land. The Minister decided that the Sisters should be given a patent without further evidence being produced.

On the 17th of March, 1913, Homestead Inspector reported that the Sisters of Providence [illegible] in residence on Lot [illegible] and recommended that a free grant be made of this Lot.

A letter, dated the 7th of April, 1913, was received from Messrs. Carpenter & Carpenter, Barristers, etc., of Edmonton, Alberta, in which they stated that one of the Sisters applied for Lot [illegible] in Lot [illegible] and Lot [illegible] had been applied for by the Si[illegible]

Provide

Providence to which Lots the Sisters were entitled.

A Quit Claim Deed under the seal of the Bishop's Corporation was enclosed as His Lordship Bishop Grouard does not claim Lot 16. This Quit Claim is on file herewith under reference 4574699.

On the 13th. of January last, Reverend Father Fuller was here and explained that the improvements of the Sisters of Providence are located on Lot 16, but that the parcel which they originally occupied and claimed was divided into two parts by a road allowance laid out at the time of the survey of the Settlement. Those two parts were numbered Lots 16 and 18 and the Sisters of Providence are still the only claimants to Lot 18.

The extinguishment of the Indian Title in this District was completed in the summer of 1...

Under the provisions of the Order in Council, dated the 14th. of July, 1919, the Minister was authorized to dispose of lots in the various Metis settlements to the respective claimants thereof, Lots of Lots in which had previously been selected and valued at the rate of not less than $... per acre. Therefore I beg to recommend that the Sisters of Providence of Beaverlodge be granted permission to purchase these Lots at the minimum rate of $... per acre.

I [illegible] to submit [illegible] in connection [illegible] Lot 1 [illegible] Township [illegible] Ontario, [illegible] Township [illegible] Ontario, [illegible] Township [illegible] Ontario,

A letter from Mr. Samuel Johnston, dated 18th March, 192[illegible], was received in which he stated he squatted on Lot 1 in 1893, and that he sold out his business and buildings there but not the land to Colin Johnston in 1900, and claims the usual rights thereto of a squatter before Treaty. The conclusion of Indian Treaty No. 8 in this locality was in June 1899. He was then requested to show why he did not make a declaration before the Treaty Commissioners, and to furnish evidence of the nature of the transaction between him and his brother. No reply has been received from him.

A domestic Inspector's report dated 1st May, 19[illegible], in connection with Lot 1 has been received which is as follows:-

"As far as I know this I lived at Dawson "with the Hudson's Bay Co from 1898 to 1911. "Colin Johnson was living on Lot 1 at that "time and sold his land and buildings to "Revillon Bros on or about 1910. I have no "doubt that the land was included in the deal. "As far as Sam Johnson is concerned he has no "rights whatever to this land as he has "already been given scrip for Lot 1."

Under the provisions of the Order-in-Council of the 11th July, 1911, the Minister was authorized to dispose of lots in the different northern settlements to the respective applicants therefor without such lots having been previously surveyed and valued at a rate of not less than $5.00 per acre. The present minimum rate is $5.00 per acre. No report has been received which gives the value per acre of Lot 1, but lots 3, 5, 6, 7, 16, 17, 20, 21, 26 and 28 were sold at $5.00 per acre. Therefore, I beg to recommend that Revillon Freres Trading Co., Ltd., be granted permission to purchase Lot 1 at the rate of $5.00 per acre.

Re Lot 5, Narrow Settlement, Alta.

I beg to submit for your consideration a statement in connection with the claim of Léville Frères Trading Coy., Ltd., to the above mentioned lot.

The survey of this settlement was made to meet the requirements of the settlers at this point.

A statutory declaration dated Aug. 1st, 1911, was made by Léville Frères Trading Co., Ltd., in support of its claim to Lots 3 and 5 Range . . Tower and Dominion Land Survey, and the survey of this settlement. The Surveyor reported that at the time of the survey there was also on Lot 5 a log house owned by Jos. [illegible] to transfer his claim to lot 5 to the Company on condition that it cancel his debt. This Léville Frères agreed to do and allowance was made in the reserve for the survey.

A homestead inspector's report dated June 1st, 1911, states that the Company owns two houses on Lot 5 and has done some breaking.

Homestead Inspector Griffin on 14th March, 1911, reported as follows:-
Lot 5.---

" Léville Frères Trading Co. have a claim to this lot, but I am informed by the Hudson Bay Co. that it is their property. The building on the lot was put there by Jos. [illegible] for the Léville Frères Trading Co. I would not consider this claim valid at present time.

" They are already in possession of a large amount of land which properly belongs to the Company and I would consider it unwise to allow them to acquire more land.

" I would recommend that the claim be cancelled and entry for the valuation of (illegible) Five dollars per acre be granted (11%.00) the amount paid as rent for the use of the lot.

" I would also recommend that the Léville Frères Trading Co. be not allowed to purchase any more land in the vicinity of lot 5. (?) A. E. Griffin, Esq. I.A.,

The Company applied to purchase Lot 1 and 5 on 20th April, 1921. On 17th October, 1921, the Company's solicitors supplied a transfer or assignment from Yellowknee of his claim to Lot 5 and renewed their application to purchase.

Referring to the claim of the Company to Lots 1 and 5, on the 5th January last the solicitors for the Company informed the Department that they were instructed by their client that the same did not own any land in the district of Wabasha and asked that this be pointed out to the Homestead Inspector so that a correct report might be furnished by the Homestead Inspector for the Departmental files.

Homestead Inspector Griffin has supplied a further report dated 4th January last as follows:-

" John Keith Manager for Revillon Frères Co.,
" here, whom I interviewed to-day claims that they
" consider that Lot 1 consisting of 11.3 acres is
" sufficient land for their needs at Wabasha.
" The only claim that they have on Lot 5 is the
" house, for which in case of this lot being sold they
" would wish to be reimbursed for same.
" They do not claim any other land in Wabasha
" Settlement excepting Lot 1. "
(Sd) A.H.Griffin. Jan. 4th-21.

A letter dated 30th March last reads:-

" We have taken good note of the contents of your
" letter, File No. 3021777, of March 2nd, 1922. Your
" Homestead Inspector's report of the interview he had
" with the writer regarding Lot 5 is substantially
" correct. We have sufficient land in Lot 1 to meet
" our trading requirements but the improvements we own
" on Lot 5 in the form of the house and fenced garden
" are of more value than the land contained in Lot 5.
" As we do not believe it will be possible to impose
" on Lot 5 for the value of the house, we think the
" best way to deal with the matter is for this Com-
" pany to acquire Title through purchase, as we desire
" to acquire this lot in order to protect the value
" of our improvements. " (Sd) J. Keith, Superinten-
" dent, Revillon Frères Trading Co., Ltd.

As there is no other claimant to Lot 5 and as the Company purchased the same in 1907 from a former occupant according to its statutory declaration and has a labourer living thereon and owns a house and fenced garden on Lot 5, it may be decided to grant the Company permission to purchase this lot at the rate of $5.00 per acre being the valuation per acre placed thereon by the Homestead Inspector and being also the rate at which Lot 1 was disposed of to this Company on 17th October last.

Re Lot 13, [illegible] Settlement, Alberta.
Area .3 acres.

I beg to submit for your consideration the application of Mr. John Graham to purchase the above-mentioned lot.

On the 31st May last a letter was forwarded to Mr. Edward Auger granting him permission to purchase this lot. No payment has been made by Mr. Auger, but a letter dated the 4th instant has been received as follows:-

"With reference to lot 13 [illegible] settlement, I have sold
"my rights of ownership in the said lot, and have
"transferred all the improvements on the said land to Mr. J.
"Graham, who wishes to purchase the land. I have no further
"use for the land and think that as Mr. Graham has purchased
"the improvements he ought to have the first chance of pur-
"chasing the land."

Mr. Graham's application dated the 4th instant reads as follows:-

"I would be favoured if you will allocate
"the right of lot 13 [illegible] settlement, lately owned by
"Edward Auger. I have purchased the house and all improve-
"ments on the land, and Mr. Auger says that he has no further
"use for the land.

"I am enclosing a letter from Mr. Auger
"stating that he does not require the land.

"If I am allowed to purchase the land I
"will remit the amount, which I believe is $[illegible] by return
"mail."

In view of the present circumstances of the case I beg to recommend that permission be granted to Mr. John Graham to purchase this lot at the same rate at which Mr. Auger was to have been allowed to purchase, namely $[illegible] per acre.

Sir,-

Your file No. 3021764.

With further reference to your letter of the 18th May last, I have to inform you that the Local Indian Agent reports that Albert Car, mentioned in your letter, is not a Treaty Indian. The Indian Albert Peters, to whom Car (or O'Car) sold Lot 3, Wabiskaw Settlement, sold all his interest in this lot to W.J.Broderick in 1917 or 1918. Mr. Broderick, who was a fur trader, died last Spring, leaving all his property to his sister who is now at Wabiskaw. It does not appear therefore that Albert Peters, who is the only Treaty Indian concerned, has any claim to this lot.

Ottawa, 8th November, 1923.

[illegible]:

W.W.Cory, Esq., C.M.G.,
Deputy Minister.

Lot 17, Wabasca Settlement, Alberta.
Area 77.5 acres.

I beg to submit for your consideration the application of Mr. Robert Lowe to purchase the above-mentioned Lot.

The survey of this settlement was made to meet the requirements of the settlers at this point.

This Lot is vacant and available for disposition, the department according to our records.

Under the provisions of the Order in Council P.C. 1147, dated July 11th, 1918, the Minister was authorized to dispose of Lots in the Wabasca Northern settlements to the respective applicants therefor, at cost, such lots having been previously inspected and valued at a rate of not less than $5.00 per acre. I beg to recommend that Mr. Lowe be granted permission to purchase Lot 17 at the rate of $5.00 per acre, which has been a fair rate for this class of land in Settlement five years ago.

Under the provisions of the Order in Council passed on the 14th July,1919, the Minister was authorised to dispose of lots in the different northern settlements to the respective applicants therefor, without such lots having been previously inspected and valued, at a rate of not less than $3.00 per acre. I beg to recommend that La Corporation Episcopale Catholique Romaine d'Athabaska be granted permission to purchase Lot 7 at the rate suggested by the homestead inspector of $5.00 per acre.

hunter; that he had a garden on Lot 4; that he had a house and storehouse on Lot 3, and that he purchased this property nine years previously. It is further stated that he is a Treaty Indian. This may be the man who is now making application for Lot 7.

A homestead inspector's report (J.H. Griffin) dated the 15th March, 1921, shows that Lot 7 is claimed by the Roman Catholic Mission, and that the improvements thereon consist of a log house, value $100.00. Further General Remarks are as follows:-

"The improvements on this land were purchased some years ago by the R.C. Mission from Francis Auger, a Treaty Indian, for the purpose of using it for church purposes.

As the R.C. Mission have already been conceded a large tract of land at South Wabasca Lake and owing to the fact that by being allowed to have possession of this lot they will conflict with the English Mission at this point, I would consider that it would not be advisable to allow them this lot. Their Mission is situated at the South at Wabasca Lake a distance of three miles from here. The English Mission are not and do not intend to trespass on them at South Wabasca. I would consider that it would be only fair and just to the English Mission that the R.C. Mission should not be allowed possession of this lot at this point. I would recommend that this lot be opened for entry by purchase at a valuation of($5.00) five dollar per acre.

I would recommend that this land be given to some of the old settlers that have no land deed and are entitled to some."

I presume that the conflict between the Missions mentioned refers to a conflict in missionary work, not in the matter of the lands claimed by each.

On the 9th instant last a letter was addressed to Bishop Grouard advising him that an application for Lot 7 had been received recently and requesting him to state whether the R.C. Mission still desired to purchase this lot. A reply dated the 9th ultimo has been received and a translation of it same follows:-

"Replying to your letter, File 30.1760, re Lot 7, Wabiskaw Settlement, Alberta, I come to tell you in the name of Mgr. Grouard, that regarding this lot which we asked to buy a long time ago we have no intention of leaving it, that even from time to time the missionaries go there and hold service there for the Catholic population; that if up to the present we have not bothered about the title for the land we are the well recognized possessors of the land."

this settlement did not show a road providing access to lot 3 but the second edition shows such road, a strip of land having been excised from Lot 4 for this purpose. On the 5th September, 1923, Mr. Hunter was informed that access to Lot 3 had been provided and that no objection to granting his request for Lot 4 would be raised if he could reach agreement with Mr. Sullivan concerning the latter's purchase of this lot. No reply was received from Mr. Hunter and on the 25th June, 1923, also the 4th September, 1924, he was requested to inform the Department in this matter.

On the 3rd January, 1923, Mr. William Sullivan was requested to inform this Department concerning his intentions in regard to making the required payment in connection with the purchase of Lot 3. At the same time he was informed that another application for Lot 4 had been received and he was requested to advise the Department whether he intended to purchase this lot on which he had claimed to have made a survey.

A letter dated the 7th August, 1923, from the Agent of Police in Tambo Department reported that Mr. Sullivan had paid £2.5.0, which was to be applied as first payment of Lot 3 and 4. The first payment on Lot 4.

From the 13th August, 1923, the Assistant Agent of Police at Tambo reported that Mr. William Sullivan had paid £2.5.0 on account of Lot 3 and that £16. was paid as a second payment on Lot 4. Mr. Sullivan was allowed to purchase Lot 4 at the rate of £5.0.0 per acre, under the usual terms for lots in this settlement.

A letter dated the 3rd January, 1923, from Mr. Hunter was set forth that Mr. William Sullivan had been allowed to purchase Lot 4 but requires to make application for Lot 3.

In view of the circumstances outlined above it may be decided to allow Mr. William Sullivan to proceed with the purchase of Lot 4 at the rate of £5.0.0 per acre. Mr. Sullivan has already made payments on Lots 3 and 4. In order to complete the purchase for these two lots at the rate of £5.0.0 per acre, that the survey fees would have to be included. One patent and patent fee would be required, but should Lot 4 be patented alone, a patent fee would also be required, as the purchase money would amount to less than £20.0.0.

The survey of this settlement was made in [illegible] by [illegible], to meet the requirements of the settlers at this point. Mr. [illegible] A. Hunter was allowed to purchase Lot 3 in this settlement, containing 1.06 acres, at $?.00 an acre, and patent therefor was issued in his favour on the 26th October, [illegible]. Hunter's letter of application reads as follows:-

"I wrote you some time ago re purchase of "no answer.

"Since writing you I have heard that Lot "4 has been purchased by William Cullion of Athabasca.

"I have lot 3 and have built a two-st[illegible] "house on it costing me about $?00.00, my reason for more "room. Lot 3 is too small for this, as half of Lot 3 is "in a muskeg and untillable.

An application for Lot 5 was made by Revillon Freres Trading Company, Limited, who claimed to have a house and fenced garden on Lot 5, but it was decided not to grant this Company permission to purchase Lot 5 in a letter dated the 7th June, 1923, which reads as follows:-

"With reference to your application to purchase "Lot 5, Wabisbaw Settlement, Alta. containing 7.64 acres, "I beg to inform you that as you have already obtained a "patent for Lot 1 in this Settlement, containing 11.40 "acres, it is considered the Department would not be "justified in selling you any additional land at this "point, and your application to purchase the said Lot "5 cannot, therefore, be further considered. You will "be permitted, however, to remove during the present "season the improvements which it is stated have been "made by you on the said Lot 5."

According to the list sent us the South-East of 33 is shown as vacant, South East of 28 as South half patented, balance no entry; and South-East of 27 as all patented.

The A. D. L. reports that his records show the South-East of 28 as Timber Berth 132 from. Date tad; South-East of 33 as the record of Patents of Timber Berth 132, and the South-East of 27 as having only 1.60 acres patented, balance cancelled and vacant.

According to file 2941310 hereunder it would appear that the full South-East of 33 had been patented to the E. D. & B. C. Railway. See Mr. Lynch's memorandum of the 2nd of April, 1914, and notations thereon which would show that a fiat has been prepared for this and the South half of the North-East quarter.

With reference to the South-East of 33 there would appear to be only the possibility of the Right-of-Way having been patented, and similarly for the South-West of 27.
